

A Monthly Gathering of Pickers and Vocalists

If you are interested in playing some good old country music, this is group for you! We have enjoyed various combinations of guitars, banjos, hammered dulcimer, basses, mandolins, steel guitars, accordion and vocals over the years. Bring your favorite pickin' chair, if you prefer. The church provides padded-seat chairs. We'll take time to help new pickers learn the songs, then trade leads around the room. If you prefer just to strum rhythm, that's fine, too. Acoustics and electrics (at low volume) are both allowed.

Teach us your stuff: feel free to bring 10 copies of lead sheets to each of your favorite country, folk or bluegrass songs to share, and we'll give them a try.

Date / Time

We meet on the **first Thursday each month** in the fellowship hall at North Decatur Presbyterian Church. **Tune-up starts at 7:00pm, and the jam runs 7:30pm-9:30pm.**

More Information

If you are interested in joining in, please **contact Wade Medlock at 404-501-0950**. Kindly do not invite additional musicians without checking with Wade first. If we don't get a quorum, we'll let you know. Please RSVP so we may email notices quickly.

Cost

We collect \$5 per head per jam for the use of the facility. This applies to vocalists, musicians and audience members.
