

## A Support Community for Our Youngest Members

Our primary goal is to enhance a strong children's program that helps families develop whole family faith practices. The program is strengthened through the curriculum used during church school, children's involvement in worship, youth group opportunities, and family activities and education.

### Program planning embraces learning, and includes:

- Advent events
- Child protection policy development
- Child protection training
- Confirmation planning
- Extended session and Nursery staffing and oversight
- Youth mission trips and local mission opportunities support
- Youth retreats and Youth group events
- Youth group meal coordination
- Vacation Bible School planning
- Presentation of Bibles
- Evaluation and recommendation of curriculum used during church school
- Teacher recruitment
- Teacher appreciation event
- Easter events

### Date / Time

The Children and Youth Education Committee meets the first Monday of each month at 7:00 p.m. in the church library.
