

Would you like to have the church membership directory at your fingertip (i.e., on your phone!)? You can access the church directory by loading the **FREE** 'ACS Church Life' APP on your smart phone.

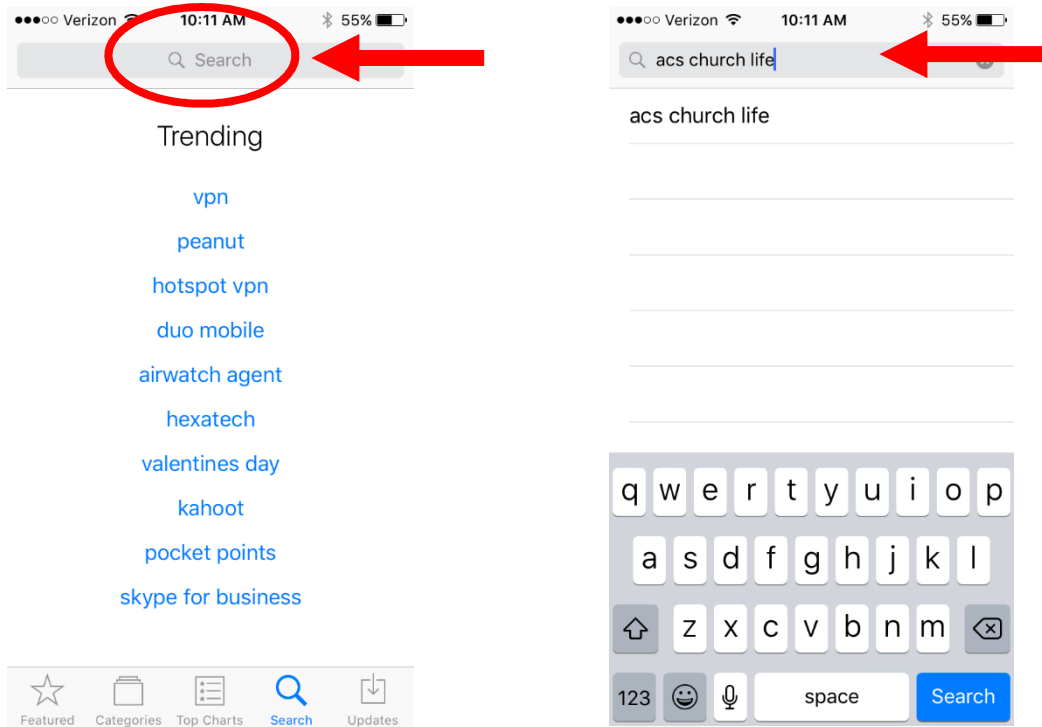

1. Click (touch) the *App Store*-(iPhone) *or Google Play*-(Android) on your phone.

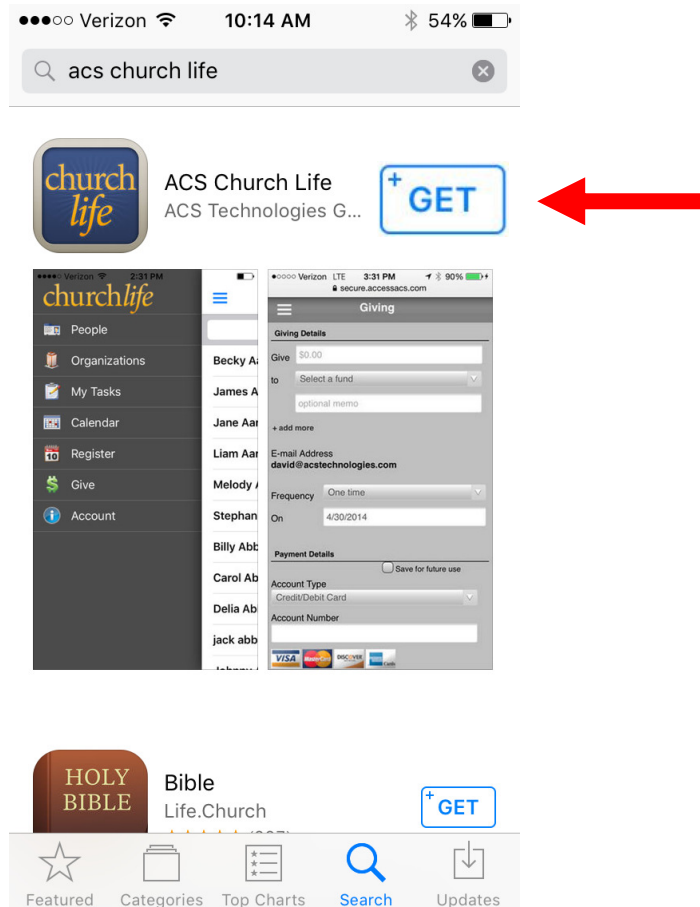

2. Click on the *Search* button at the bottom of the page (looks like a magnifying glass).

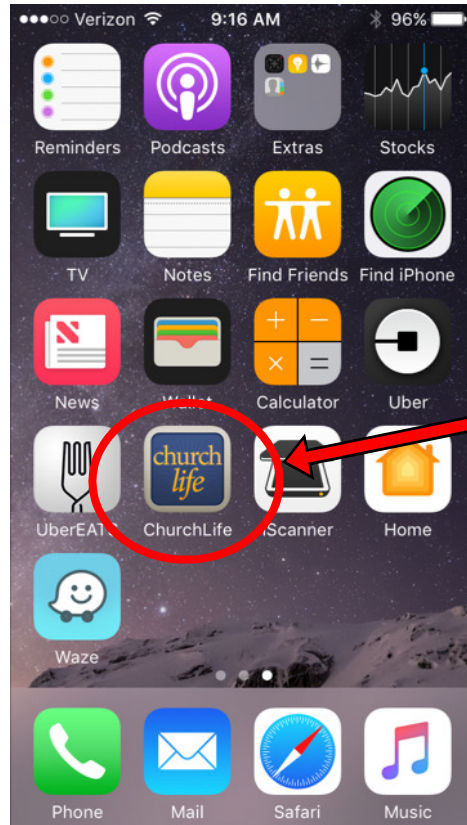

3. Type “ACS Church Life” in the search bar at the top of the page.

4. When the APP appears, Click **GET** and wait for it to load.

When the APP has loaded on your phone, click on the APP.

You will be asked for your email and password. **Enter the same email and password** you use to login at the “member login” button on our website.
