

2018 Salt Shakers

What are "Salt Shakers"? Salt Shakers are groups of NDPCers who share meals together on the fourth Saturday night of January, February and March. Everyone who signs up is randomly assigned to a group of 10-12 folks. All NDPC adults who enjoy good cuisine and good company are encouraged to sign up! **Childcare is available at the church for families with young children.**

Who prepares the meal? Each person or couple in the group will be assigned a dish to bring (appetizer, main dish, vegetable, salad, dessert, bread or beverage).

Where will the meal be served? At the host's home. Anyone may volunteer to be a host.

When will the meals take place? On Saturday nights - January 27, February 24 and March 24 at 6:30pm

What if my schedule is unclear or there is a conflict for one of the dates? You may sign up for one, two or three months. Substitutes will be available if you need to cancel at a later date.

All forms should be placed in the offering plate or given to Jack Kittle by December 17, 2017
