## Invitation to Thank CYF Volunteers!

NDPC has an amazing group of volunteers who commit to keep our children safe, build lasting relationships, and share God's love. This list below represents hundreds of volunteer hours for the children and youth of our congregation. Please join us in telling them how much they mean to us and our children. You are invited to record a quick video saying "thank you" for their time, patience, devotion to our children. Just click on the **VidHug** link. It will walk you through how to use your computer or phone camera to record a clip. **VidHug** will compile the messages. **Scroll past all the names of the volunteers below to get to the links for the graduates. There are a total of SIX VidHug links. Be sure to click on each red button.**

You don't have to be a child, youth, or parent to say thanks! You might even say thanks if you're *on* this list! It takes all of us working together to make Sunday school, youth group, Children's Choir, Extended Session, acolytes, CYF committee and more, be a meaningful part of our children's faith development.

**Disclaimer:** Those listed are the people we have on record who consistently provide care for our children. There are just as many who jump in at the last minute to help out, or who operate behind the scenes to make everything run smoothly. Feel free to give a "shout-out" to someone who may not be on this list! And, we appreciate all of you "invisible" volunteers.

## Congrats, Graduates!

What a strange spring these students have had to the end of their academic year! We surround them with our love and admiration for their hard work and accomplishments. We also offer our compassion and support for the tinge of grief this end may have brought. We are proud of them for the challenge they have accepted to learn and grow- stretching their minds and imaginations, and our prayers and love will follow them wherever life leads them.

We'd like to offer a special "hooray" for our graduates who have been leaders in our congregation. Please click on the *VidHug* links below to give a video greeting to **Macon, Ike and Sam** who have completed their high school careers. We also delight in **Zaria**, who finished her work at Agnes Scott this year. We hope they will stay involved in the life of our congregation, but we take this opportunity to recognize all that has come before!

Click here to record a message to other graduating Seniors, including **Cameron Snyder, Eric Shavkin, Zach Monyelle, Courtney Godwin, Ella Carter, Annabelle Stockton, Emma Sandifer, Noah Hull** and others.

**Macon with his sister Anna and cousin Caroline**

**Macon Sandifer** graduated from the Paideia School. He has served as a Youth Elder at NDPC, and been a leader in Youth Group, Montreat, not to mention his favorite role of "Sheep" in Christmas pageants. God willing, in the fall, he will attend Wake Forest.

### Ike on a mission trip with NDPC

**Ike Veal** graduated from Paideia School. He has served as a Youth Elder at NDPC, been a leader in Youth Group, enjoyed trips to Montreat, and has rivaled Macon for his role as “sheep” in the Christmas pageants. He has been accepted at Loyola in New Orleans and will attend there this fall.

### Sam celebrates his graduation with appropriate PPE

**Sam Ellis** graduated from Decatur High School. He has been a part of our youth group and both our children’s choir and our Chancel choir at NDPC and is now singing for the All Saint’s Episcopal Church Choir. We are excited about his academic journey ahead of him at Bowdoin.

### Zaria with her cap from Agnes Scott

**Zaria Dyer** has been the Lead Nursery Attendant at NDPC throughout her academic career at Agnes Scott. She graduated from ASC this spring. She has been a leader both on and off of campus. Send her a message of love here.
